- Check out the hanger
- Visit our vendor area at the lower field
- Enoree River – tubing, kayaking, fishing
- Fishing – Fishing at either of the two ponds at Triple Tree is welcome. Please catch and release
- Walking Trails – see map below. There is poison ivy/oak and other hazards just off the trails

CAMPING

Camping at Triple Tree is welcome. If needed, call **1-888-333-9024** for questions or point of contact. All camping is on a first-come, first-serve basis and is limited to available space. Charge for camping is \$10 per night regardless of size/equipment. FYI – near the river, it may flood.

KEEPING IT GREEN

Triple Tree is a very special place and we ask for your help in keeping it that way. Please help us make sure that all **garbage** is picked up. Even if you walk by someone else's carelessness, your help is appreciated. For those **smokers**, your butts are still considered litter, so please dispose of your butts too. Lastly, for all you pet lovers, we welcome **pets** here too, but ask that you pick up after your pet.

SAFETY

While we have taken every measure to keep folks safe and comfortable, the reality is that Triple Tree Aerodrome is still part of nature. Combine this natural element with hundreds of flying aircraft and there's always a potential for something to happen. To help eliminate any unforeseen issues, we ask that those with children and/or pets take the necessary steps to maximize their safety. Additionally, the size of Triple Tree (over 400 acres) can by its very nature make for a lot of walking. Please take full advantage of the shuttles, buses and other FREE transportation we have setup for you. Because of the time of season, there may be wide fluctuations in temperatures, so dress and hydrate yourself accordingly. We want this experience to be one that you and your guests remember for a lifetime. If there is anything we can do to help make that experience even better, please do not hesitate to call us at the number listed on this handout and/or contact via email at pderrick@hartness.com
